

Palm Drive Hospital, a 37-bed district hospital in beautiful west Sonoma County (1 hour north of San Francisco in the Wine Country) seeks FT, PT, and Per Diem Paramedics / Telemetry Technicians.

The Paramedic / Telemetry Technician provides patient care under the direction of a RN or physician. Duties include vital signs, EKG's, suture set-up, airway maintenance, respiratory support, ECG rhythm interpretation, splinting, patient transport, patient registration, and statistical data collection.

EMT-P license, BLS, ACLS, and previous experience are required.

We offer medical, dental, retirement, long term disability, life insurance, paid time off, and paid educational leave benefits.

Please mail your resume to the Palm Drive Hospital Human Resources Department at 501 Petaluma Ave. Sebastopol, CA 95472, or fax to 707-829-4125, or email to pgreen@palmdrivehospital.com.

Palm Drive Hospital is an equal opportunity employer.
